

PROJECTS TO BE CONSIDERED	Projects on treatment or care of patients with kidney disease, dialysis patients, transplant recipients and educational projects for kidney patients. The project must be complete in itself.
PATIENT EFFECTIVE & AUDIENCE EFFECTIVE	In addition the project must be patient-effective (patientenwirksam) and audience effective (publikumswirksam), as you may be requested to present your findings to a greater public.
VISIBILITY	The project must guarantee the visibility of the Foundation.
FINANCIAL SUPPORT	A project will receive financial support up to a maximum of <b>CHF 30.000</b> and the amount requested must make up <b>at least 50%</b> of the total costs. If overhead costs are due, they must be included in the overall budget.
APPROVALS	Only projects which already have (or are in the process of obtaining) the necessary approvals (such as ethics commission etc.) can be submitted for funding. This guarantees a prompt start of the approved projects.
PROJECT STRUCTURE <b>max. 6 pages</b>	<ul style="list-style-type: none"><li>• Project title</li><li>• Principal and co-investigators</li><li>• Background</li><li>• Aims</li><li>• Description of the project</li><li>• Schedule: start and end of project</li><li>• Budget (<i>max. CHECK LIST FOR SUBMISSION	Before you start your online submission, make certain, that you have all relevant documents ready; you <b>cannot</b> save and store your data temporarily and return later on to complete it! (Checklist: see page 3)
ASSESSMENT	Projects assessment takes place in September.
ACCEPTANCE NON ACCEPTANCE	The funding decision will be communicated 14 days after the assessment.  Applications are dealt with and decided on conclusively by the Foundation Board. Justification of the decision will not be specified.
START OF PROJECT	The project must start within 6 months of acceptance (the date of the approval letter is the determining date).
DURATION OF PROJECT	The entire project must be realized within 3 years from the starting point.
PROJECT NOT STARTED	If a project is not started within 6 months, the financing from the foundation will be forfeited automatically.
FUNDS PAYMENT & END OF PROJECT	According to our funds allocation rules, 2/3 of the funds provided by the Foundation are available after the decision of the Foundation Board. <b>The funds will only be transferred upon receipt of an invoice in January of the following year.</b>  The remaining 1/3 of funds will be transferred within 4 weeks after receiving the final report or the publication. This final report needs to be accepted by two members of the Nierenstiftung council. <b>The funds will only be transferred upon receipt of an invoice.</b>  If after 3 years - unless you have requested an extension of the deadline for valid reasons - we do not receive the final report / publication the remaining funds will go back into the grant pool of the Nierenstiftung. You will not be informed of this decision, it takes place automatically.
TRANSFER OF FUNDS	Funds will be transferred to an official account which is opened for the specific study. In cases an official account already exists, this account needs to be clearly linked to the study approved.
REPORTS	1. The <b>first report</b> is due at the Nierenstiftung office by November 30 in the first year of the project. <i>The Nierenstiftung expects to receive</i>
